

## Pros and Cons of GoToTraining.com (Instructor Led Online Training)

<b>Pros</b>	<ul style="list-style-type: none"><li>• Allow students more time to absorb the material. The class is delivered daily in the morning. Students can use an hour or so in the afternoon to catch up on their exercises if they need to, and get back to the instructor the next morning with questions.</li><li>• Enable the students to do some of their daily work while getting trained. Rather than spending the whole day in training, students spend only the morning and catch up on some of their daily work in the afternoon.</li><li>• Eliminate instructor reimbursable travel costs.</li><li>• Eliminate student travel costs in case students are located in different geographical areas</li></ul>
<b>Cons</b>	<ul style="list-style-type: none"><li>• Client representative to spend extra time in planning the delivery of the class in coordination with e-Modelers to ensure the following before the GoToTraining sessions:<ul style="list-style-type: none"><li>a. Firewall or other technical issues are properly handled</li><li>b. All students have quality speakers and microphones on their computers</li></ul></li><li>• Spend a 1-hour dry run a week before the training sessions start, in order to ensure that all goes well.</li></ul>
